Public Contract Code 20111.5 enables districts to require prime contractors to be prequalified prior to accepting bids.

- The District must receive complete applications at least ten (10) business days prior to the scheduled bid opening on any advertised project in order for the candidate to qualify for a project in excess of \$1,000,000 and partially funded by the State. Pre-qualification approval will remain valid for one (1) calendar year from the date of notice of qualification except as noted in the pre-qualification documents.
