between
Twin Rivers Unified School District and Twin Rivers United Educators
December 13, 2016

Current Negotiations Update:

Both the Twin Rivers Unified School District (“TRUSD”) and the Twin Rivers United Educators (“TRUE”) are participating in State Mediation and are making progress towards a possible resolution for the current contract impasse. State Mediation is a confidential process, and the participants are prohibited from making any public statements regarding their conversations. TRUSD and TRUE are scheduled to meet, again, on Wednesday, January 11, 2017. Another joint statement will be issued after that mediation session.
