

2016-2017 Joint Statement for Mediation Proceedings
between
Twin Rivers Unified School District and Twin Rivers United Educators
January 19, 2017

Current Negotiations Update:

Both the Twin Rivers Unified School District (“TRUSD”) and the Twin Rivers United Educators (“TRUE”) are participating in State Mediation and are making progress towards a possible resolution for the current contract impasse. State Mediation is a confidential process, and the participants are prohibited from making any public statements regarding their conversations. TRUSD and TRUE are scheduled to meet, again, on Friday, February 10, 2017. The mediator has requested that the next session include a representative from CTA NOD and a consultant from School Services of California. Another joint statement will be issued after that mediation session.
