May 11, 2017

To All Members of Twin Rivers Unified Community:

As a matter of courtesy, we want to keep you updated on negotiations activities with the Twin Rivers United Educators (TRUE). In an ongoing effort to reach agreement, the bargaining teams met again on May 8, 2017, at which time the District, again, provided a detailed proposal; regretfully, the District's offer was not accepted by the TRUE negotiation team. Further, the TRUE team did not present a counter proposal. We had hoped that the TRUE team would have been prepared with a counter proposal for the District's consideration so that discussions could have continued with the possibility of reaching an agreement.

Given that our May 8th meeting did not yield an agreement, we will be proceeding with fact-finding; the hearing is set for May 22, 2017. In the fact-finding process, a three-member panel will hear arguments from both the District and TRUE. The panel then prepares a written decision with recommended terms for settlement, which is non-binding.

Respectfully,
