PRESS RELEASE

Superintendent Dr. Steven Martinez on Death of TR Student

McClellan, CA— Our Twin Rivers family is deeply saddened to learn about the death of a Foothill Ranch Middle School student this morning, and we extend our heartfelt sympathy to his family. The tragic traffic accident happened near Hillsdale Boulevard and Greenholme Drive.

Our Crisis Intervention Team—chaplains, school psychologists and counselors—was immediately dispatched to Foothill Ranch to support students and staff. During difficult times like this, children are often confused and have many questions. It is important for us to have our Crisis Intervention Team there for students to share and process their grief.

It is unfortunate when this type of tragedy occurs, and I want to assure the community that we will do all that is possible to keep our schools a safe and caring place.

#

Twin Rivers Unified School District serves approximately 28,000 preschool through adult education students in northern Sacramento County.
