New Harmon Johnson Campus will Receive “Operation Facelift” Saturday, January 8th 8 a.m. – 5 p.m.

After hearing about the Harmon Johnson students and staff being forced to move mid-year due to a dangerous PGE gas storage field, Chris Huppe, Jensen Tree Service President, decided his company needed to get involved. Huppe, his family, and a number of Jensen employees are hosting “Operation Facelift,” a project that will donate thousands in landscaping materials and the time and effort of more than eight additional companies and organizations. Additional volunteers are welcome and are encouraged to bring a shovel and other favorite landscaping tools.

The “Facelift” will include:

- Mowing, edging, weed-eating
- Shrub demolition and planting
- Tree planting
- Turf renovation and aerating
- Irrigation work
- Hydroseed
- Bark installation and flower planting
- Flag pole facelift
- Pressure washing

Volunteers will meet at the new Harmon Johnson 2.0 campus at 577 Las Palmas Avenue in Sacramento at 8 a.m. to be assigned to a team. The agenda for the rest of the day includes:

- 8:30 a.m. Work begins
- 12:00 p.m. BBQ
- 12:30 Break is over (Now get back to work)
- 2 p.m. Hydroseed application
- 4 p.m. Blow and pressure wash site
- 5 p.m. Sit back and review what we did for Harmon Johnson students and families

Contributing companies and organizations include:

- Jensen Tree Service
- Sierra Pacific Turf Supply
- Greenscape Hydroseeding
- Big Oak Nursery
- Applied Landscape Bark Blowing
- Haight Nursery
- Sacramento Tree Foundation
- Sunbelt Rentals
- John Deere Landscape Materials
- Twin Rivers USD
