Prestigious Budget Award

McClellan, CA— Twin Rivers is one of four California school districts to receive the 2014-2015 Meritorious Budget Award of Excellence from the Association of School Business Officials International (ASBO). It's the fifth consecutive year Twin Rivers has received the award, conferred only to school districts that have met or exceeded the Meritorious Budget Award criteria.

The Twin Rivers 2014-2015 budget includes approximately 280 pages and contains not only the official budget, but also background and summary materials. The budget material is presented via narratives along with charts and graphs to aid in understanding.

ASBO, founded in 1910, is a professional organization of 5,000 members that provides programs and services to promote the highest standards of school business management practices, professional growth, and the effective use of education resources.

Twin Rivers Unified School District serves approximately 28,000 preschool through adult education students in northern Sacramento County.
