Twin Rivers USD Wins Prestigious Budget Award

SACRAMENTO—For the fourth consecutive year, Twin Rivers Unified School District has been awarded the Meritorious Budget Award (MBA) for excellence in budget presentation by the Association of School Business Officials International (ASBO).

Twin Rivers submitted its 2013-2014 budget for a rigorous review based on multiple criteria, including whether the district follows up-to-date budget practices, sets short-term and long-term goals, and promotes sound fiscal management practices.

The district's Fiscal Services department is instrumental in coordinating the budget process and creating a document that is thorough and reader friendly.

"I am extremely excited and proud that we have received this prestigious award," says Kate Ingersoll, executive director of fiscal services. "This would not have been possible if it weren't for our dedicated and knowledgeable budget staff. I commend them for their hard work and dedication."

Twin Rivers was one of three California school districts to receive the Meritorious Budget Award last year.

Twin Rivers Unified School District serves approximately 27,000 preschool through adult education students in northern Sacramento County.
