Elementary School Receives Big Boost for Computer Lab

Henry Henry Wirz, President and CEO of SAFE Credit Union, secured a grant from the RCA Foundation to purchase Lexia Reading® for the computer lab at FC Joyce Elementary School.

Lexia Reading® is a language arts program that will improve reading performance of FC Joyce students by providing personalized learning on foundational reading skills. The lab itself includes computers that were donated by SAFE and Schools Financial Credit Unions.

What: Computer Lab Tour and Demonstration

When: Friday, Feb. 8 at 11:00 a.m.

Where: FC Joyce Elementary School
6050 Watt Ave., North Highlands

FC Joyce is an elementary school located within the Twin Rivers Unified School District. Approximately 550 students in grades Preschool through Eighth Grade attend this school, located in North Highlands.

Twin Rivers Unified School District serves approximately 27,000 preschool through adult education students in northern Sacramento County.
