MESA Math Competition Winners from Twin Rivers

Twin Rivers students had the pleasure of participating at the [MESA](#) (Math, Engineering, and Science Achievement) Club Math Competition at CSUS. Congratulations to the students, as well as their dedicated and outstanding MESA Advisors.

Name of Student	School Site	Name of Competition	Award	MESA Advisor
Jordan Costa	Foothill Farms JHS	Middle TMQ Level A	3rd	Karolee Smiley
David Knuth	Foothill Farms JHS	Middle TMQ Level A	3rd	
Jonathan Lund	Foothill Farms JHS	Middle TMQ Level A	3rd	
Chaidez Santos	Foothill Farms JHS	Middle TMQ Level A	3rd	
Kevin Lu	Foothill HS	High School Solo Math	1st	Teresa Bare
Simon Golub	Foothill HS	High School Solo Math	3rd	
Gaonu Vue	Grant Union HS	High School Solo Math	1st	Malcom Wong
Xang Lor	Grant Union HS	High School Solo Math	1st	
Jackson Vo	Grant Union HS	High School Solo Math	2nd	
Kevin Borihane	Rio Linda HS	High School Solo Math	1st	Cesar Flores-Cardenas
Alex Borihane	Rio Linda HS	High School Solo Math	1st	
Claudia Rodriguez	Rio Linda HS	High School Solo Math	2nd	
Andrew Holmes	Rio Linda JHS	Middle School Solo Math	2nd	Elizabeth Henderson

Gaonu Vue, a 10th grader at Grant High School, earned a perfect score in the Algebra II competition. In acknowledgement of her accomplishment, Gaonu received \$250.00 from the Rodrigo Rodriguez, Jr. Legacy and Academic Achievement Fund, sponsored by the Frank and Eva Buck Foundation.

All math problems included in the math competition met or exceeded the California State Standards for each math level. Over 300 students from Elk Grove USD, Sacramento City USD, and Twin Rivers, participated in the event held at Sac State University on January 22, 2010.

MESA is an academic enrichment program that prepares students for 4-year college admission, competitive scholarship selection, and careers that are based in the fields of science, technology, engineering, and mathematics (STEM) curriculum.

For additional information, contact Ginna Guiang-Myers, Science, PE, and Health Curriculum Coordinator at 916-566-1600 ext 1256.
