## **STATEMENT ON THE DEATH OF TEACHER MARION ADAMS**

We are deeply saddened by the death of one of our beloved teachers, 59-year-old Marion Adams, who passed away early this morning after a tragic bicycle accident March 4. Adams was a multi-media teacher and track and football coach at Rio Linda High School.

His death has had a major impact on our Twin Rivers family. We have had a crisis intervention team at RLHS today working with students and faculty members. These professionals are well prepared to assist us during this difficult time.

Adams was a 1972 graduate of RLHS and began teaching there in 2004. Our thoughts and prayers are with his family, friends and colleagues, and the students who admired him. He will be missed by all of us.

There will be a candlelight vigil at RLHS at 6 p.m. March 5 to celebrate the life of Marion Adams.

*Twin Rivers Unified School District serves approximately 27,000 preschool through adult education students in northern Sacramento County.*
