PRESS RELEASE

Sara Noguchi Joins the We Are TR! Team

McClellan, CA— Sara Noguchi, Ed.D., former Interim Superintendent of Sacramento Unified School District and former Director of Secondary Education in the Elk Grove Unified School District, has joined the Twin Rivers team as the new Associate Superintendent of Innovation, Research and Design.

Her position will focus on strengthening new and existing partnerships to advance the use of innovative technology in teaching, learning and student services environments.

“Twin Rivers is a district on the move, and I feel honored to have been selected to be part of the team,” says Dr. Noguchi. “I’m looking forward to supporting the students, teachers, staff and community.”

Dr. Noguchi has more than 20 years of experience in public education. She holds a doctorate in education leadership from the University of the Pacific and has a master’s in curriculum and instruction. She’s a former classroom teacher and principal.

“We are fortunate to have attracted an education leader of Dr. Noguchi’s stature,” says Twin Rivers Superintendent Dr. Steven Martinez. “She brings a wealth of experience that will serve our students, staff and community well. Dr. Noguchi has worked at all levels of public education, including implementing new strategies to transform low-performing schools in high-needs neighborhoods. We’re excited she’s part of the We Are TR! team.”

Dr. Noguchi was board approved on April 14, 2015.

Twin Rivers Unified School District serves approximately 28,000 preschool through adult education students in northern Sacramento County.
