Give Back to Highlands Day Invites Community and Alumni for a Day of Service

During these tough economic times, our schools and communities are struggling and there are not a lot of extra resources for beautifying school campuses. In fact, with the severe State cuts all schools are facing, it is likely that schools will see less and less maintenance dollars.

At the Highlands High School campus, staff and the Highlands Alumni Association are partnering in an effort to bring other valuable resources to the campus- that of time and energy. Now that the school will go back to its original "Highlands High School" moniker, add new Bio Tech and Engineering Programs, and become a true 9-12 high school campus again, the groups want the new school to get a fresh start.

The first annual "Give Back to Highlands Day" will take place this Saturday, May 1, from 10:30 to 2:30 p.m. The day will involve small projects throughout the school campus and all volunteers are welcome.

For more information or to RSVP for the event, please contact Ms. Hanson by email at Rebekah.Hanson@twinriversusd.org or by phone at 916-286-7519.
