**PRESS RELEASE**

**Summer Nutrition in Twin Rivers**

McClellan, CA— Stressing the importance of offering nutritious meals to children during the summer months, Twin Rivers School District announces a free Summer Nutrition Program for children 18 years of age and under.

“This program helps fills a void,” says Nutrition Services Director Jill Van Dyke. “We are helping parents meet the nutritional needs of their children during the summer months when free and reduced-price school meals are typically unavailable.”

The Summer Food Service Program is funded by the U.S. Department of Agriculture and administered by the California Department of Education. Twin Rivers is an equal opportunity provider and employer. (See page 2 for details.)
