Second Annual College Bound Shopping Spree *Hosted by Project DREAM*

On Tuesday morning 26, recent Twin Rivers graduates will be shopping with a favorite teacher or staff member for \$300 in dorm supplies. These students have overcome great adversity to be accepted to a four-year university, and many do not have resources to accommodate basic necessities needed for life in a dormitory such as sheets and towels. All of these students also participated in the College Bound 101 class to understand the basics of college housing, securing financial aid and making the emotional transition to college.

The students will be shopping with a teacher, coach or counselor who inspired them to go to college from 8:30-10:30 a.m. on Tuesday, July 19 at the Natomas Target, located at 3601 N. Freeway Boulevard, Sacramento, CA 95834.

The College Bound program is funded through donations to Project DREAM by Target, Sacramento Bee's Book of Dreams, individual donors and the Kelly Foundation.

Project DREAM (Developing Resiliency through Education, the Arts and Mentoring) is a private non-profit that supports enrichment activities in the schools and communities within Twin Rivers Unified School District. To donate to College Bound, visit www.dreamtwinrivers.com or call (916) 566-1759.
