**Grand Reopening of Student Operated Credit Union**

SACRAMENTO – The Rio Linda High School (RLHS) branch of SAFE Credit Union will celebrate its grand reopening Sept. 30 with a newly remodeled classroom that is more like a business park—home to the Knights Armor Student Store and a fully-functioning SAFE Credit Union branch.

SAFE completely revamped the space over the summer, investing more than \$10,000 in the project. SAFE's relationship with RLHS goes back nine years when the credit union installed an ATM that dispensed \$5 bills. A student-run SAFE branch followed and this past school year oversaw \$55,000 in deposits. The branch has averaged 110 new student accounts annually during recent years.
