Music to Our Ears

Carnegie Hall Teams up With Local Schools

Carnegie Hall, the Sacramento Philharmonic, VITA Academy, and Twin Rivers District have joined together to create a unique alliance of professional musicians aiming to teach artists and educators to bring music education to several area schools.

After years of reaching children through music, Michael Morgan and the Sacramento Philharmonic were one of only a select few orchestras throughout the nation contacted by the prestigious organization to expand the Weill Music Institute at Carnegie Hall "[LinkUP!](#)" program for music education. The program is geared towards schools with no existing music program.

On Saturday, Oct 2, Tom Cabanas and Misty Tolle from Carnegie Hall will come to the Twin Rivers District Office to present the program to the teachers. The public is also invited to attend.

Schedule of Events

9:30am to 10:15am - the public is invited to a presentation of the program with participation of Sacramento Philharmonic musicians, VITA Academy teaching artists and educators
