PRESS RELEASE

Statement from Twin Rivers USD Board of Trustees

SACRAMENTO—We share the community’s shock and concern over the arrest of Trustee Cortez Quinn. All of us are impacted when something like this occurs, but we want to assure our parents and the community that we will not be distracted from our goal. We will continue to press forward to provide a world-class education where all students graduate college and career ready.

Student achievement is our focus, and that will never change. At the end of the day, it’s all about educating kids and keeping them safe.

The Board of Trustees will meet in closed session tomorrow to discuss this matter and determine its course of action.

Twin Rivers Unified School District serves approximately 27,000 preschool through adult education students in northern Sacramento County.
