# Renowned Education Expert to Visit Twin Rivers

McClellan, CA— An internationally recognized authority on educational reform who is credited with transforming the Canadian province of Ontario into one of the world's most effective school systems is scheduled to visit Twin Rivers.

Michael Fullan, Ph.D., will arrive May 21 to discuss preliminary findings of a case study of Twin Rivers and three other California school districts. He will meet with Superintendent Dr. Steven Martinez, principals, teachers on special assignment (TOSAs) and other administrators.

Fullan's researchers visited Twin Rivers in March to document progress in a number of areas, including staff professional development and collaboration at all levels to improve outcomes for all students.
