MEDIA ADVISORY

Twin Rivers PSAT Day

McClellan, CA— Twin Rivers is proud to announce that the Preliminary Scholastic Aptitude Test (PSAT) will be administered to 9th, 10th and 11th graders at no cost on Wednesday, Oct. 14, at all high schools.

PSAT is a standardized test that gives students firsthand practice for the SAT and tests critical reading, math and writing skills. It's designed to identify opportunities for growth and provide targeted feedback to help students improve their skills. The PSAT results will also help educators identify students with potential to succeed in rigorous Advanced Placement (AP) courses.

So what will TR seniors do during this time? Each high school has planned a College Bound 101 experience for seniors. A variety of topics will be covered, including:

- UC/CSU Enrollment Process
- Personal Statements for College Applications
- Financial Aid/Scholarships
- Career Planning/Job Search
- SAT/ACT Registration and NCAA Requirements

The workshops for seniors begin at 7:30 a.m. at the high school sites. Please contact Zenobia Gerald at 916.566.1628 for more information.

##

Twin Rivers Unified School District serves approximately 28,000 preschool through adult education students in northern Sacramento County.
