## Local Teacher's Wish Comes True

A teacher's wish of supplying her entire class of fifth grade students in Twin Rivers with brand new shoes is coming true, thanks to a local radio station—98 Rock. Representatives from the radio station will be accompanied by staff from the New Balance shoe store in Roseville to measure all the students' feet in Lisa Liss' classroom on Wednesday afternoon. They will be back before the winter break this December, to deliver brand new shoes to everyone—including 33 students and the teacher.

"I am so excited and can't wait to see their faces when they realize how nice New Balance shoes are," says Liss. "Some of these kids have never had a pair of new shoes and most really need a pair."

Woodlake Elementary School serves many families in the Twin Rivers district that are financially struggling, some even homeless. A new pair of shoes can go a long way in providing a student with confidence to attend school and to do well.

**Wednesday, November 14 at 2:30 p.m.**  
**Woodlake Elementary School**  
**700 Southgate Road**  
**Sacramento 95815**

**All media representatives that attend the shoe measuring event will receive a special VIP invitation to come back to the classroom when the shoes are delivered in December. Contact Zenobia Gerald for details at 916.566.1789.**

The 10th annual 27 Days of Christmas is sponsored by 98 Rock & Roseville Hyundai. More information is available on their web site at <http://www.krxq.net>.

*Twin Rivers Unified School District serves approximately 27,000 preschool through adult education students in northern Sacramento County.*
