**Dinner with a Scientist**

McClellan, CA— Dinner and conversation with a scientist! It’s an irresistible combination for middle and high school students who want to excel in STEM (Science, Technology, Engineering and Math) careers. That’s why so many young people over the years have participated in *Dinner With a Scientist*, hosted by Twin Rivers USD for the seventh year.

The event is a partnership between the Sacramento Area Science Project and Sacramento’s Powerhouse Science Center. It provides an opportunity for 7th through 12th grade students to interact with scientists from many different disciplines. The “Science Challenge”—a short but lively scientific knowledge competition precedes dinner.

**WHO:** Twin Rivers USD, Sacramento Area Science Project and the Powerhouse Science Center

**WHAT:** Dinner With a Scientist

**WHEN:** 5 to 7:15 p.m. Thursday, May 19, 2016

**WHERE:** Twin Rivers Unified School District (Bay A), 5115 Dudley Blvd., McClellan Park

##

*Twin Rivers Unified School District serves approximately 31,000 preschool through adult education students in northern Sacramento County.*
