MEDIA ADVISORY

GET POWERED UP!

McClellan, CA— John Stevens, an educational technology coach who runs a website called *Would You Rather?*—dedicated to getting students to talk about math—is one of the keynote speakers for Twin Rivers’ Technology Conference 2015. The conference aims to provide more than 120 teachers with high quality professional learning and collaboration opportunities that will impact student learning. Breakout sessions include: Coding in the Classroom, Augmented Reality, Cyberbullying, Digital Media and much more.

Pleasanton USD Instructional Technology Coach Lisa Highfill, a Google Certified Teacher and part of the inaugural group of YouTube Star Teachers, will also present at the conference.

WHO: Twin Rivers USD

WHAT: Technology Conference 2015

WHEN: 8:30 a.m. to 3:30 p.m. July 29-30

WHERE: Foothill High School, 5000 McCloud Drive, Sacramento, CA 95842

The keynote speakers will present from 8:30 to 9:40 a.m. – Highfill on July 29 and Stevens on July 30.

Twin Rivers Unified School District serves approximately 28,000 preschool through adult education students in northern Sacramento County.
