**Twin Rivers' Summer Meals Program**

**McClellan, CA**— Twin Rivers Unified has a free Summer Nutrition Program that will provide meals for children 18 years old and younger. Last year the District served more than 80,000 meals over eight weeks at 13 sites—breakfast and lunch.

“This program definitely helps fill a void,” says Jill Van Dyke, Twin Rivers’ Director of Nutrition Services. “We are helping parents meet the nutritional needs of their children during the summer months when free and reduced price school meals are typically unavailable.”
