SCHOOL HIGHLIGHTS

Woodridge School is a preschool - 4th grade elementary school located in the Foothill Farms area of Sacramento, that serves approximately 550 students. The mission of Woodridge School is to provide a safe, responsible, and respectful environment in which high academic expectations are achieved through standards-based instruction, creative and enriching curriculum, collaboration between home and school and targeted interventions necessary for all students to achieve.

Our success is indicated by a strong school community that supports all children, a friendly, welcoming atmosphere throughout the school campus, and children who are excited to come to Woodridge to learn, and be valued for who they are. We will continue to increase student achievement levels and provide children with the knowledge and skills necessary for their future. The Woodridge staff will continue to support each other as professional learners in a community focused on student success.
